

# Information about the rooms

## Auditorium A (plan 2):

This room has a capacity of 300 people. In the room there is a “teleslynge” and microphone. The stage is used to store equipment and is blended off with curtains. There is still plenty of free space on the floor in front of the stage. A piano can be placed in the room. If you would like a piano in the room, you should let us know in advance. A projector and a screen are available in the room.

## Studio 1 (plan 1):

The size of the room is 14x16 m. The furniture can be placed in different ways. **A mobile projector and speakers can be placed in the room.**

## Studio 2 (plan 1):

The size of the room is 13x14 m. The furniture can be placed in different ways. **A mobile projector and speakers can be placed in the room.**

## Presentation Room (Plan 1):

The room has a capacity of about 70 chairs (cinema setup). There is a projector, screen, voice system and speakers in the room.

## The Cinema (Plan 1):

The room has a capacity of 54 chairs, with the possibility of adding some extra chairs. There is a projector, screen and sound facilities in the room.

## K121 (Nyhove - building below the main building on Storhove, plan 1):

The room has a capacity of 54 chairs, with the possibility of adding some extra chairs. A projector is available in the room. **Mobile speakers can be placed in the room.**

## K122 (Nyhove - building below the main building on Storhove, plan 1):

The room has a capacity of 65 chairs, with the possibility of adding some extra chairs. A projector is available in the room.

*K121 and K122 can also be turned into one large room.*

## The Student (Studenten) (plan 1):

This room is booked for lunch and dinner. The room has a capacity of about 150 people, but more people can be present in the room if we do not plan for seating.

The coffee service will be outside the canteen and auditorium A (plan 2). The registration will be right inside the door of the Film School (close to the canteen and auditorium A).
