<p><b>Your organisation</b> Describe the type of organisation and include a good description of your own areas of activities/fields.</p>	<p>Regional Development Agency Posavje (RDA) as a coordinator of regional interests at local and national levels represents a permanent partner in the dialogue between the ministries, government organizations, municipalities, companies, NVO's and other local, regional and also national institutions, organisation and companies.</p> <p>RDA cooperates with the Government Office for Development and European Cohesion Policy by assisting in the implementation of regional financial schemes and coordinates and implements other activities in public interest in the field of regional development. The Agency has prepared the Regional Development Programme of the Posavje Region and has been coordinating its implementation since then. It also offers organisational assistance, stimulates local initiatives, evaluates and promotes rural development potentials and co-ordinates participation in EU support programmes. RDA Posavje is also the leading partner of the Local Action Group Posavje, which has drawn up and is implementing Local Development Strategy under the LEADER approach. RDA's role therefore includes cooperation among regional/local authorities and stakeholders to foster knowledge transfer, networking, and development of action plans, as well as exchange of experience and practices to improve policies in support of sustainable rural development, research and innovation.</p>
<p><b>Project idea</b> Provide a brief description of the project idea, what you want to achieve and how you plan to achieve it.</p>	<p>The main output of the project will be the development of the <b>Career Centre Posavje</b> which will represent innovative support environment for youth and represent a dynamic way of connecting employers, educational organizations, and youth in rural region Posavje.</p>

<p>These information should give an idea of what is planned, but be open enough for the donor project partner to influence.</p>	<p>Main goals are to improve labour market information, competencies of youth and connections between youth and local business environment with the purpose of increasing employment opportunities, soft transition from school to work in region and reducing work migrations in other regions.</p> <p>The project goals will be achieved via market research activities, exchange of good practices with Norway partner, andragogical educational program for consultants (youth workers), broad content for youth and implementation of a web platform.</p>
<p><b>Relevance of potential donor project partner</b> Based on your research show why you have identified this particular potential donor project partner to be relevant, for example does the organisational type match, similar or complementary experiences, etc.</p> <p>If you have not identified a specific potential donor project partner, try to describe the type of organisation you are looking for. Try to be specific and to link it to your areas of activity, project idea and the role of the donor project partner.</p>	<p>We are looking for a partner from Norway who strives to achieve the same goals and want to share views and exchange good practices about ways of increasing employment opportunities of youth in local area.</p> <p>We are looking for Career Centre or other organization from Norway who has similar projects or provides similar content to the conceptual design of Career Centre (consulting, matchmaking events, non-formal education etc.) for youth.</p> <p>The purpose of this partnership will be to learn from each other, exchange good practices and solve any issues and obstacles to goal setting.</p>
<p><b>Donor project partner's role</b> What role do you foresee for the donor project partner in the project? What is the value of his contribution?</p>	<p>With Norway partner we would like to:</p> <ul style="list-style-type: none"> <li>- Get to know employers' expectations and skills they are looking for in a workplace.</li> <li>- Exchange views and practices of increasing employment opportunities and skills of youth in local area, with emphasis on non-formal education.</li> <li>- Prepare educational program and improve knowledge and skills of consultants (youth workers) in career centre.</li> </ul> <p>Partner from Norway will contribute to the development of innovative approaches for increasing employment opportunities of young people in rural region Posavje.</p>
